WOMEN EMPOWER

“Our most important goal is to Empower Women with Western Boots.”

Árida represents the woman who is not afraid to be herself and follow her path to accomplish her dreams. She is capable of crossing the desert and borders, breaking chains and paradigms, adapting and dominating her environment. She is the woman who knows very well where she comes from and where she is going. She is inspired by her land to conquer the world.

No barrier or wall can stop her. Is that woman who despite her fears, lives her life with courage.
